

STYLE ASSESSMENT QUIZ

1 – What is the first thing to cross your mind about getting ready for the day?

- Doesn't matter, I'm on video conference calls all day
- I wish I had something to put on that makes me feel great
- I have a new shirt, but I don't have the accessories
- I have to do something with my hair

2 – It's time to professionally move ahead and knowing that style and personal branding play a role in how people perceive me, my current style says...

- I'm still trying to figure all this out
- It shouldn't matter, it's about talent
- I'm overwhelmed and my appearance is the last thing I'm concerned about
- Reliable, ready, and present

3 – When it comes to putting together a look connected to who you are, it feels...

- Confusing, not sure what I'm trying to accomplish
- Overwhelming and exhausting on top of everything else
- Confident, well dressed is a state of mind
- Good, but not sure my style is on trend

4 – Peers and other professionals would describe me as...

- Confident
- Enthusiastic
- Capable
- Innovative
- Other

5 – I wear color ...

- Strategically, to be remembered
- To boost my confidence
- Because I like it
- I don't wear color

6 – I cultivate my appearance because I know...

- It's a bridge into greater professional acceptance
- It shows I value my knowledge, skills, and direction
- My image influences other's responses, thoughts, and actions towards me
- Professionalism is a mind-set reflected in personal presentation
- All of the above
- Other
